TradehubFX
Conflicts of Interest Policy

Effective Date: July 11, 2026

At **TradehubFX**, we are committed to conducting our business with integrity, fairness, and transparency. This Conflicts of Interest Policy explains how we identify, manage, mitigate, and disclose conflicts of interest while providing forex trading services.

Purpose
To protect clients, promote transparency, identify and manage conflicts, and comply with applicable laws and industry standards.

Potential Conflicts
- Company revenue from spreads, commissions, swaps, or service fees.
- Employee personal interests that may affect business decisions.
- Relationships with liquidity providers, payment processors, and technology partners.
- Conflicts between different clients.

Management of Conflicts
TradehubFX maintains internal controls, segregation of duties, employee training, confidentiality procedures, compliance monitoring, and periodic reviews to manage potential conflicts.

Disclosure
Where a material conflict cannot be avoided, TradehubFX will disclose it to affected clients whenever appropriate.

Confidentiality
Client information is handled securely and in accordance with our Privacy Policy.

Disclaimer
Forex and leveraged trading involve substantial risk and may not be suitable for every investor. Past performance is not indicative of future results.
